

[Pure]

[Tools]

[HOL]

[HOL-Library]

MyTheory

```
graph TD; Pure --> Tools; Tools --> HOL; HOL --> HOL_Library[HOL-Library]; HOL_Library --> MyTheory;
```

The diagram illustrates a vertical dependency chain. It consists of five rectangular boxes arranged in a column, connected by vertical lines. From top to bottom, the boxes are labeled: [Pure], [Tools], [HOL], [HOL-Library], and MyTheory. Each box is connected to the one below it by a single vertical line, indicating a sequential or dependent relationship.
